SEYMOUR RELIEVED BUT MINISTERS ARE MISSING.

VICTORIA ROAD, EUROPEAN QUARTER OF TIEN TSIN.

PEKING EXILES ARE NOT WITH SEYMOUR'S FORCE.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, June 23.—As was the case on the occasion of the relief of Tien Tsin, the Associated Press was able to give the Foreign Office, the Admiralty and the Queen the first news of the rescue of Admiral Seymour. The officials were greatly relieved when this information was conveyed to them and expressed their hearty congratulations at the welcome tidings. At the same time it is recognized that the advice of the Associated Press from Chefoo also adds to the anxieties regarding the fate of the legationaries and foreigners of Peking, who, it was hoped, might be with Seymour.

The world again has to depend on rumor regarding the fate of supposed exiles from the Chinese capital. It is generally accepted that they have been compelled to leave Peking, but whether coastwards, under a Chinese escort, or as hostages on the way to the possible new capital, their plight must excite the gravest anxiety, as even if they are in the care of a Chinese agent, this is hardly considered a good guarantee of the safety of the "foreign devils" in a country swarming with their most virulent enemies.

A telegram from Jardine, Matheson & Co., dated Shanghai, this afternoon, suggests that the Ministers are still at Peking, but admits that there is no news from the capital.

The telegram adds: "Admiral Seymour arrived at Tien Tsin with 221 of his force unharmed, besides sixty-two killed. The damage done to Tien Tsin has been much exaggerated. Shanghai is quiet."

Other dispatches from Shanghai reiterate the announcement of the massacre of the native Christians in the inland districts, which rival the Armenian horrors. The officials of the place, watched by gunboats, made a show of protecting the missionaries, but there is not even a pretence of protection for the converts in the interior, who have been butchered by wholesale.

RUSSIA IS PREPARING FOR A CONFLICT.

WASHINGTON IS WORRIED ABOUT THE MINISTERS.

Associated Press Dispatches by The Tribune's Special Leased Wire. WASHINGTON, June 23.—Yesterday the officials here felt sure that the foreign Ministers to China were safe with Admiral Seymour's column. This morning that confidence is shaken. The only official dispatch received over night from the seat of trouble—one from Admiral Kempff—was so barren of the information so earnestly demanded here as to cause severe criticism at the Admiralty's expense. His dispatch makes no mention of the Ministers' welfare nor of Seymour's column. Taken in connection with the ominous press dispatches from Chefoo, via Shanghai, relative to the return of Seymour's broken column to Tien Tsin, the officials feel that they have good ground for renewed apprehension as to the fate of the foreign Ministers.

The conclusion drawn by the Navy Department officials from Admiral Kempff's dispatch is that he is not in communication with Tien Tsin, and that notwithstanding the cable company's notice of yesterday, there is still no new route open to that city, save by runners who must pass through a country beset by Boxers to reach Chefoo.

An explanation was had at the State Department today of the report from Shanghai that the Consuls there were negotiating with the Chinese Viceroy respecting the protection of the city. Because they were cut off from communication with the American Consuls in China, the State Department officials in Shanghai had been embarrassed in dealing with the local Chinese authorities by reason of the necessity of securing instructions from Washington at every point. Therefore they have been sent a general instruction to all the American Consuls in China who could be reached by cable and wire, authorizing them to deal directly with Viceroy's executive measures for the protection of American lives and property.

Shanghai has heretofore been made a neutral port during times of war by special agreement between foreign Consuls and the Chinese officials, and it is probable that a similar arrangement will be made now. The only condition is that before withdrawing the military forces the treaty ports the foreign Consuls must

NO NEWS OF THE PEKING EXILES.

Russia Mobilizing Her Troops on a Vast Scale and Mischief Is Brewing.

CHEFOO, June 23, via Shanghai, noon.—Admiral Seymour's expedition has been relieved, having failed to connect with Peking. There is no news from Peking. Russian Colonel Schotelle, commanding the combined forces of 10,000 men, is supposed to be proceeding to Peking. Admiral Seymour's expedition is returning to Tien Tsin. His force has suffered greatly. It is estimated that from 40,000 to 60,000 Chinese troops are now before Peking. Boxers from all sections are swarming there.

feel assured that the Chinese officials are not only willing but perfectly able to ensure the safety of the foreigners in the towns.

The Ninth Infantry, which is reported to have cleared yesterday from Munia, should reach Taku about Wednesday night, the Fourth of July. The War Department already had anticipated Admiral Kempff's suggestion relative to landing the troops at Taku instead of Chefoo.

THE FOREIGN MINISTERS WITH LANDING FORCE.

Associated Press Dispatches by The Tribune's Special Leased Wire. BERLIN, June 23.—The commander of the German squadron at Taku telegraphs under date of June 23rd, as follows: "The foreign Ministers are with landing force."

SEYMOUR IS SAFE IN TIEN TSIN.

Associated Press Dispatches by The Tribune's Special Leased Wire. SHANGHAI, June 23.—Vice-Admiral Seymour has reached Tien Tsin, where all is well. There have been few foreign casualties.

THOUSANDS OF FOREIGN TROOPS ON CHINA'S SOIL.

Associated Press Dispatches by The Tribune's Special Leased Wire. WASHINGTON, June 23.—The following cablegram was received this morning from Admiral Kempff:

Washington: About 12,000 foreign troops now ashore. Soldiers ordered to report at Taku instead of Chefoo. Substituted Nashville for Yorktown at Chefoo. Yorktown used as dispatch boat, being more suitable.

REAR ADMIRAL.

The War Department received the following undated cablegram from General MacArthur this morning:

Adjutant General, Washington: Transport left Manila at 8:30, morning June 27, with Colonel Liscum in command, thirty-nine officers, 1271 men.

SALISBURY KNOWS NOTHING OF MINISTERS.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, June 23.—The House of Lords today the Premier, Lord Salisbury, referring to the relief of Vice-Admiral Seymour, said he knew nothing of the position of Sir Claude MacDonald, the British Minister to China, or of the members of the other legations in the country. He thought, however, there was ground for hope that no violence had been done there, but even that, he added, could only be stated hypothetically.

REPORT OF SLAUGHTER IN TIEN TSIN.

Associated Press Dispatches by The Tribune's Special Leased Wire. NEW YORK, June 23.—The following cable was received at the Methodist Episcopal Board from Chefoo from the Rev. Mr. Brown, one of the missionaries in the Tien Tsin district. It is dated June 23rd: "Mission destroyed by fire. About 100 killed. I think there is a serious risk for foreigners. Will return in a few days."

By the mission is meant the mission at Tien Tsin, but just how much of that mission is destroyed the home board does not know what to infer. The mission there is in three compounds, as they are called. One compound is composed of two missions and a church, another of a mis-

sion and a school, and a third of a mission, a hospital and a school. In all the property of the Methodist Episcopal Board is valued at something more than \$50,000.

The Rev. Dr. M. B. Leonard, secretary of the mission society, said: "Presumably those killed were natives, but it is not clear even that they were native Christians. Many of them may have been Boxers or Chinese soldiers. The risk for foreigners, evidently is in Tien Tsin, where Mr. Brown expects to go himself in a few days."

Dr. Leonard thinks none of the Methodist missionaries were among the killed or Dr. Brown would certainly have mentioned the fact.

LI HUNG CHANG SAYS MINISTERS ARE WITH SEYMOUR.

Associated Press Dispatches by The Tribune's Special Leased Wire. WASHINGTON, June 23.—Minister W. called at the State Department this morning and exhibited the following cablegram to Secretary Hay:

"CANTON, June 23.—The legation Ministers, having left Peking, are now twelve miles from Tien Tsin with Admiral Seymour."

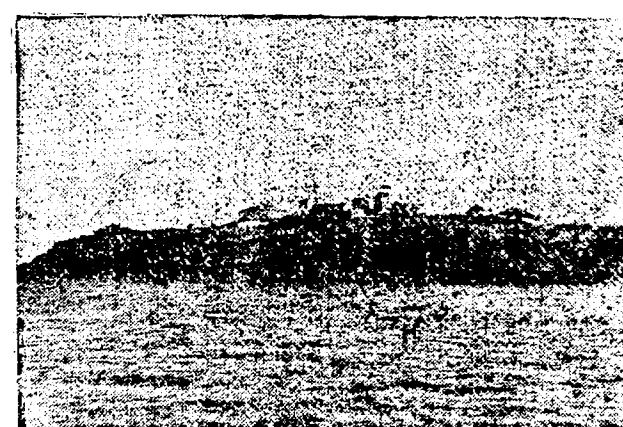

"LI HUNG CHANG." The Minister explained that the cablegram reached him from the Chinese Minister in London. He believes the dispatch to be accurate, but the State Department officials are inclined to doubt it as yet.

BURNING OF THE MISSION AT WEI HEN.

Associated Press Dispatches by The Tribune's Special Leased Wire. NEW YORK, June 23.—Two cablegrams were received by the Presbyterian Board of Foreign Missions this morning. The first from Shanghai read:

"Wei Hen destroyed. Foreigners escaped."

The Presbyterian Board had \$40,000 worth of property in Wei Hen, and this is now all gone. Dr. Fairlie was one of the mis-

sionaries there, and he escaped with the others. The other cablegram came from Chefoo and stated:

"Lobenstein at Shanghai, Fenas at Peking."

Rev. E. C. Lobenstein was stationed at Nankin, and it would appear as if he had to make his escape to Shanghai. The cablegram also stated:

"No word has been received from Peking or Pao Tiu Fu. Wei Hen mission burned. Missionaries safe."

CONTRADICTORY REPORTS ABOUT THE MINISTERS.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, June 23, 7 P. M.—A representative of the Associated Press was informed at the Foreign Office this evening that the Viceroy of Nankin has telegraphed to the British Consul General at Shanghai that he had received, on June 23rd, an imperial rescript at Peking continuing as usual to receive every protection from the imperial government.

On the other hand the officials of the Chinese embassy say they have reason to believe the foreign Ministers at Peking were given their passports June 13th.

The Foreign Office is much concerned at the latter report, and hopes it will not be confirmed as it would be an unexpected adverse development, which would possibly mean a declaration of war.

BOXER TROUBLES BRING RUSSIA TO VERGE OF PANIC.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, June 23.—A dispatch from Moscow to the Westminster Gazette says the Boxer troubles and the death of Count Muraviev have greatly accentuated the difficulties of the financial situation in Russia, which is in such a critical state as to arouse the gravest anxiety. The black list of good firms falling lengthens, and the sense of insecurity and fear that something worse is to come has caused vast sums to be temporarily withdrawn from the market. In Moscow alone within two months it is stated on good authority, \$20,000,000 roubles, most of which was previously in currency, have been lodged in the Imperial Bank, without interest, for safety.

ORDER WILL BE MAINTAINED BY VICEROYS.

Associated Press Dispatches by The Tribune's Special Leased Wire. ROME, June 23.—The Italian Consul at Shanghai telegraphs that the Viceroy in the provinces of Yang Tse Tung Valley have resolved to maintain order, provided the powers do not intervene so long as order prevails. The Consuls, it is added, unanimously accepted the proposal and signed a declaration to that effect.

FOREIGNERS AT PEKING ARE REPORTED SAFE.

SHANGHAI, June 23.—The Daily News has a dispatch from Wei Hai Wei dated June 17th, saying:

"The railway terminus, which is eight miles north of Tien Tsin, is destroyed. Captain Bailey wishes it published that it is due to the Russians that anyone is alive at Tien Tsin."

"The American Consul telegraphs that the American mission at Wei Hai Wei has been completely destroyed."

From official sources it is learned that the legations at Peking and the foreigners there were safe June 25th.

NO INJURY TO GERMANS AT TIEN TSIN.

Associated Press Dispatches by The Tribune's Special Leased Wire. HAMBURG, June 23.—Commercial firms here have received telegrams from Shanghai saying that all the Germans at Tien Tsin are unharmed.

CORONATION OF STOCKTON'S QUEEN TONIGHT

The Ceremonies Will be
Elaborate and
Beautiful.

The Street Fair Drawing
Large Crowds to the
Slough City.

Associated Press Dispatches by The Tribune's Special Leased Wire. STOCKTON, Cal., June 23.—This is the third day of the Stockton street fair, and the management is gratified to see increasing crowds and continued perfect weather.

This morning the fair management extended to the members of the State Commission on Lunacy, the superintendents of the several State hospitals and representatives of the Board of Managers of the same, who are in session here today holding their regular quarterly meeting, an invitation to visit the fair.

The crowning feature, as it were, of the days' doings will be the coronation of the fair Queen, Miss Genevieve Peters, this evening, and preparations are being made to handle an immense crowd. Many visitors from near by cities will arrive this afternoon to witness the coronation ceremonies, which will be elaborate and beautiful.

All arrangements had been made to have the ceremony take place at 2:30 this afternoon, but the committee, having charge of the matter concluded to postpone the coronation until tonight, in-

asmuch as many who desired to witness the ceremony could not very well attend in the afternoon. The program will be elaborate, no pains having been spared to make the spectacular effect what it should be.

The carriages containing the Queen and her court will all start from the residence of J. D. Peters, father of the Queen. The first will contain the two pages and the two trumpeters; the second and third carriages the eight maids of honor, four in each; the fourth the Queen and her Prime Minister and two personal pages to handle the Queen's train; and the fifth the two little girls who will carry the crown, the cushion for the Queen to kneel upon and the scepter, together with the Dowager, Mrs. Edley, who has general charge of the coronation ceremonies.

The royal salute will be fired at 7 o'clock. The maids of honor will arrive at the stand in decorated carriages, followed by the Queen and the Prime Ministers, the courtiers being already present. The maids will precede the Queen to the space in front of the throne, and the crown, which is a very beautiful one, will be brought forward on a cushion by two little girls.

Kneeling on the cushion, the Queen will be crowned by one of the little girls. This done she is to knight her Prime Minister by touching him with a scepter. The Minister responds in behalf of her majesty. Harrison is then to present the keys of the city to the Queen, making a speech at the same time, to which the Prime Minister responds in behalf of her majesty. This ends the coronation, the Queen preceding her maids to the carriages.

After the completion of the coronation, the Queen and the members of the court will be driven away in carriages, and the Queen will make her appearance again Saturday night to sit with King Ph. Lewis I, at the big carnival ball in the pavilion, and will again make her appearance on the Fourth of July as the Goddess of Liberty in a very beautiful float.

The band concert and free vaudeville acts on the elevated stage will follow the coronation, marking the beginning of the reign of Queen Genevieve.

Associated Press Dispatches by The Tribune's Special Leased Wire. LONDON, June 23.—Horace Seger, a well known theatrical manager, and his wife Ethel, an actress, were arraigned and remanded today at the Bow Street Police Court on the charge of fraudulently obtaining goods by means of worthless checks. Counsel for the complainant averred that a number of similar charges will be forthcoming at the next hearing of the case.

YALE WINS BY HARVARD'S HARD LUCK.

Collapse of the Stroke
Oar Decides the
Boat Race.

The Most Exciting College
Contest Seen in Many
Years.

Associated Press Dispatches by The Tribune's Special Leased Wire. NEW LONDON, Conn., June 23.—With two races handsomely won to her credit and with the third, last and most important of all well in hand, Harvard's hopes were suddenly dashed in the last half mile of the four-mile varsity contest this afternoon by the collapse of Harding, the stroke oar.

Altogether, it was the most exciting event in college boating for many years. From start to finish a three and a half mile race was a hair-raising, heart-breaking contest. Now one boat was ahead, now the other. Never for a moment was clear water between them, many boating experts say that not once in the distance was there a half length difference between the crimson and blue, but towards the last Harvard began to creep up inch by inch, her sturdy, bronzed men pushed her prow ahead until at the three-mile flag they had a lead and with the race three-quarters over the crimson shouters looked for victory number three. But they reckoned without Varsity Stroke Oar Harding, who came in at an emergency and took the place of the disabled Captain Higgins. Just passing the three-mile mark his oar was seen to be doing less work than the others. Then he was observed to go through the motions, but

the blade did not touch the water. Coxswain Wadley shouted encouragement to him and threw water on his body, but to no avail. He was soon in a state of collapse. His stroke was gone, his oar dropped and he fell forward.

The other seven men pulled steadily, but the race was lost. Yale had taken advantage of every second of Harding's disability and pulled across the line four lengths ahead. Considering the heart-breaking pace the other seven men of the Harvard crew were comparatively fresh. There were no signs of any collapse in the Yale boat.

Time, official: Yale, 21:12 2-5; Harvard, 21:27 2-5.

TWO RACES WON BY HARVARD.

NEW LONDON, Conn., June 23.—The four-oared crews got off for the race, Harvard about 11:30 and Yale about 11:50. Harvard won by about four lengths. Official time: Harvard, 13:32; Yale, 13:25 2-5.

The freshman eight, two mile race, was won by Harvard. The crews started at 12:45:52. Harvard got the better start. The race was an exciting one. The mile was done in 1:55, with Harvard leading about a length.

Official time: Harvard, 12:13; Yale, 12:19 2-5.

FREE SILVER TO BE OPPOSED.

Associated Press Dispatches by The Tribune's Special Leased Wire. BALTIMORE, June 23.—At a conference of the Democratic leaders of this State held here yesterday, at which former United States Senator Gorman and Governor Smith were present, the course of the Maryland delegation at Kansas City was mapped out. It was determined to make every proper effort to prevent the passage of 16 to 1 resolutions and to incorporate into the platform the plank on the currency question made by the late effort will be made to oppose the nomination of John Walton Smith for the Vice-Presidency. There is some talk among the delegates of placing in nomination John Walton Smith for the Vice-Presidency. OMAHA, Neb., June 23.—A masked robber started through the Pullman car on the Omaha-Billings train on the Burlington after leaving York, Neb., this morning. BRYAN DOESN'T WARM TO HILL TICKET.

New York Straddler
Not Wanted on the
Ticket.

KANSAS CITY, Mo., June 23.—Only the belated news of the Democratic National Convention has yet arrived. A few men in charge of headquarters are here and some men who are boomers of Bryan. Hearty support is being given to the ticket, but the majority of the delegates and Tammany will be at the Lincoln. It was reported here that Hill would make a pilgrimage to Lincoln to see Mr. Bryan, but arrivals direct from Lincoln say he is not expected there, not is his re-entry into politics received with any joy by the coming Democratic nominee. Hill's position in the campaign of 1896 still rankles with Democratic leaders and talk about him as a vice-presidential candidate is not encouraged at Lincoln.

E. E. Crandall of California arrived and opened headquarters for his State at the Coates House. He came by way of Lincoln and spent yesterday with Colonel Bryan. As usual there is with the California delegates a carload or more of the products of orchards and vineyards. A welcome sign to all Democrats has been hung out.

Three additional papers have been filed with County Recorder Grim reflecting the recent transfer of the property of the Alameda Water Company at Berkeley to the Contra Costa Company. The latter property includes ten pipe lines, a reservoir and other property. The deeds conveying the Alameda Water Company's property to the Contra Costa Company were placed on file last Saturday.

DRUGS WRECK A DOCTOR'S LIFE

Pathetic Case of a
Once Wealthy
Physician.

Dr. A. C. Collins, formerly one of the leading physicians of Golden Gate, who had an extensive practice, is now lying seriously ill at the Golden Gate Hotel in North Emeryville. Deserted by his friends, his practice entirely gone, he is now but the wreck of his former self, it is said, and an object of charity to those who are now caring for him.

Several years ago, while suffering from insomnia, brought on by overwork in caring for his large practice, it is said that Dr. Collins began the use of morphine. He soon contracted the habit and at last became a confirmed morphine fiend.

He soon lost his practice. His wife, after repeated attempts to reform him, until a short time ago he moved to the hotel where he was taken ill and now lies near to death.

An effort is being made to have him removed to the County Infirmary, where it is thought under good treatment he might possibly recover.

What is wanted of soap for the skin is to wash it clean and not hurt it. Pure soap does that. This is why we want pure soap; and when we say pure, we mean without alkali. NEWS FROM THE LOCAL LODGES.

Native Sons are Preparing for Admission Day—A New Order.

Some of the most interesting events in the fraternal world which have occurred during the past week will be found recorded below.

Society of Tongs.

Another fraternal order is to be instituted in this city—an order which has its origin nearer home than is frequently the case with such societies. This order has the title of White Highlanders and has its inception in Alameda, where Tong No. 1 is now in a flourishing condition. It was founded a year ago, and since then has increased greatly in numbers.

Tong No. 2 is to be organized in this city the early part of this week. A number of leading young men will be charter members, and Dr. O. D. Hamlin has been elected for the highest position, which will be that of governor or "Quong Tung." The order is intended by the proponents of the organization to mark the opening of a new era in the history of the city, which they say was never equaled before in this city.

The original ritual of the order has been greatly improved by revision, and the members of the Tong No. 1, Alameda, who are the dark section of the "Quong Tung," will be an impressive and colorful ceremonial. The royal terminology will appear on the scene, and a number of the members of the order who are desirous of entering the order and mysterious portals of the "Hatchmen."

The emblem of the order is a hatchet, which is worn upon the lapel of the coat. This symbol is a number of Chinese characters.

The "king" of Alameda Tong, No. 1, Senator E. K. Taylor, will hereafter have the title of "Imperial Tong," and be all powerful in the White Highlanders. His new imperial robes are ordered and will appear in magnitude at the opening ceremony on Monday, July 2nd, at the headquarters of the order, which is at the corner of the Oakland and Broadway streets.

The inauguration of the Oakland Tong will take place will be like the interior of a temple in the Far East.

The Native Sons.

The greatest interest is being displayed by the parlor of Native Sons in this city. In the forthcoming celebration of Admission Day, September 28th, of this year, on which day the State and the celebration of the admission of California to the Union will take place.

The parlor of Alameda county have made arrangements to take part in the celebration on the bay, and nearly all of them have organized headquarters in the city, which they will open on Monday, July 2nd, at the corner of the Oakland and Broadway streets.

In other parts of the State the same interest is displayed, and especially in San Francisco. In the last mentioned place the parlor while working in their own behalf are at the same time making the celebration of the State and the celebration of the admission of California to the Union a whole, in which, of course, the home parlor will be interested.

Today officers were received from the celebration of the admission of California to the Union at the Palace Hotel. The circular makes an appeal for financial assistance to people from whom aid might reasonably be expected. After setting forth the purposes of the celebration the circular closes as follows:

"The celebration of the admission of California to the Union is a patriotic occasion, but those suggested by enlightened self-interest, enable us to appeal with confidence to the mercantile community to subscribe liberally to the fund for the celebration of the admission of California to the Union."

Modern Trojans.

Alpha Lodge, No. 1, Modern Trojans, held its semi-annual election of officers Tuesday evening. The following officers were elected for the ensuing term: Past president, Lloyd Davis; president, J. R. Fitch; vice president, A. H. Slick; recording secretary, Mrs. C. E. Schaffer; assistant recording secretary, Mrs. C. E. Davis; financial secretary, C. E. Davis; treasurer, J. R. Fitch; marshal, George Beck; sergeant-at-arms, Mrs. M. M. Mearns; guard, H. Feldman; sentinel, William Gray; trustees, J. F. Fitch, Mrs. M. M. Mearns, and Dr. M. M. Enos.

Applications for membership were read and right of membership was granted. The list of Alpha Lodge is increasing rapidly through the good work of Deputy M. M. Snyder.

Junior Order, U. A. F.

General George A. Custer Council No. 21, U. A. F., held its regular meeting for the last time Tuesday evening, June 26th, in Fraternal Hall. Considerable business was disposed of. It was found that the list of candidates for initiation July 10th is steadily increasing.

The committee ordered to procure badges to be worn in San Jose on the Fourth of July reported with handsome badges of blue and gold, and distributed them among those present.

The members are very much interested in the proceedings of the National Council, now in session in Philadelphia, as business of great importance to the order in general and to California in particular will come before that body for action.

After the regular business was concluded it was announced that that session was the last which the Council would hold in Fraternal Hall.

The members of Custer Council have been meeting in that hall every week for over five years past, and the farewell meeting was one to be long remembered by every brother present.

The large increase in membership, the great amount of work accomplished, the sick brothers that have been visited and provided for, the \$5,000 that have been paid out in sick benefits and the good that has been done in many ways, all these things and many more that have transpired in the past five years were discussed. The brothers, on their own accord, expressed their feelings in different ways. Some brought to mind stirring events of the past, of the most pleasant times, of the strong friendships formed, of the great patriotic scenes enacted and of the delivery of the flag and the country inspired and the grand international ceremonies that had awakened selfish indifference and stirred souls to action, to a feeling of greater responsibility in

A large class of candidates will be initiated, after which refreshments will be served. The members are highly pleased with the change in location of meetings, as the hall in which they have met so long has become entirely too small, owing to the large number of the Tent during the last six months.

Young Men's Institute.

Fraternity Council No. 31 will elect officers this evening. San Carlos Council No. 204, Monterey, Cal., initiated seven members during the month of June.

J. D. Muirhead, recording secretary of No. 31, has gone on a business trip to Kern county, California. He expects to be absent about a month, and will send two delegates to the Grand Council.

Fraternity Council No. 31 intends holding an installation, entertainment and dance at the Grand Hotel, Oakland, on the evening of July 12th.

The delegates from Oakland to the Grand Council were J. D. Muirhead, J. R. Fitch, and J. D. Muirhead, Jr. The delegates from San Carlos Council No. 204, Monterey, Cal., were J. D. Muirhead, Jr. and J. D. Muirhead, Sr.

CHINESE WAR

CLOUD LEFTS.

Boxer Movement Likely to Collapse in a Week.

Associated Press Dispatches by The Tribune's Special Leased Wire.

NEW YORK, June 28.—A dispatch to the Tribune from London says:

The situation in China is clearing slowly, but surely. The losses and dangers of the foreign legations in Peking are now known to have been grossly exaggerated by the rumor mongers. There has been no massacre of foreigners. The casualties have been few and damages to property have been slight. The legations are being evacuated by the British and French troops, and the Chinese are being ordered to leave the city.

The relief column which entered Peking Saturday night met with little resistance. The Russian losses are reported as four killed and twenty wounded, and the casualties of the other detachments were light.

Admiral Seymour's mixed force, which was retreating from Peking, does not appear to have been so desperate a plight as the earliest and most sensational dispatches make out, and on Sunday night only three hours' march from the city. The details of the rescue of this force by a relief column strong with British troops, and the return of the entire body to Peking is a foregone conclusion.

The safety of the foreign legations is assured. The forlorn hope of the guards, were conducted out of the capital and placed under the protection of Seymour's force, which retired slowly toward the city, and the legations were saved.

The column was harassed by Chinese mobs and compelled to move slowly, but the British troops, by their superior discipline, did not appear to have been in serious danger, much less in great extremity. It now seems probable that with the British troops, including the Japanese, may be approached with little difficulty within a few days and members of the legations released in their quarters. This may be an optimistic view, but the situation has improved so rapidly during the last forty-eight hours that the return of the entire Boxer movement within a week is now a forecast by well informed men. The optimists are probably over-estimating the chances of securing supplies, but there is a general feeling among these watching events in the Far East that there had been no catastrophe, and that the crisis had been passed. When Seymour's force is rescued, diplomacy will come in. Russia and Japan will have troops on the ground and it should be a diplomatic situation in place of a crisis in Asian affairs, with China at war with Christendom.
